

Swimming Club - Expression of Interest

Is your swimming club or region keen to receive a delivery of **Beyond the Black Line**?

Delivered by members of the Australian Swimming Squad, this program uses the swimmers own personal experiences to share the journey of life beyond the black line. Topics covered include communication, resilience, body image, physical v psychological development and more. The 90-minute program is run as separate boys and girls programs and aimed at kids aged between 13 -18 years. For maximum results groups of 30 or less are strongly encouraged.
